Under the provisions of 33 CFR 165.151, the fireworks display listed above in DATES is established as a safety zone. During the enforcement period, persons and vessels are prohibited from entering into, transiting through, mooring, or anchoring within the safety zone unless they receive permission from the COTP or designated representative.

This document is issued under authority of 33 CFR 165 and 5 U.S.C. 552 (a). In addition to this notification in the Federal Register, the Coast Guard will provide the

maritime community with advance notification of this enforcement period via the Local Notice to Mariners or marine information broadcasts. If the COTP determines that the safety zone need not be enforced for the full duration stated in this document, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

Dated: February 3, 2015.

E. J. Cubanski, III,  
Captain, U. S. Coast Guard,  
Captain of the Port Sector Long Island Sound.
