workshop will focus on the following topics: (i) identification  
of GPS and Global Navigation Satellite System (GNSS) receivers  
to be considered for testing that are representative of the  
current categories of user applications; and (ii) discussion of  
a GPS/GNSS receiver test plan. To maximize participation and  
discussion, the U.S. Department of Transportation is requesting  
that those interested in presenting on one (or all) of the above  
topics please contact Stephen Mackey (contact information listed  
below) by March 2, 2015.

This workshop is open to the general public by registration  
only. For those who would like to attend the workshop, we  
request that you register no later than March 2, 2015. Please
